PROXY PROPOSALS

View Datapoints

Elevate your public company intelligence

Leverage our AI and machine learning technology to get the latest Proxy Proposals and Shareholder Engagement data like management director elections, sponsors of shareholder proposals on diversity and sustainability, voting results, etc.

Our features help you maximize your research time and enhance your analysis.

1 Easily **compare data for multiple indices,** sectors or specific companies.

2 **Identify by sponsor,** voting results, omissions, and withdrawals.

3 Refine your search using our Custom Filters. These allow you to **search by proposal topic.**

4 Proposal topics include Written Consent, **Proxy Access, Say on Pay, Board Diversity** and dozens more.

5 Ability to search by spefcific year or **latest available data reported by company.**

Largest searchable public company intelligence database.

Benchmark 100,000+ Management and Shareholder Proposals, SEC No-Action letters, and other 14a-8 data including: Written Consent, Proxy Access, Say on Pay, Board Diversity, and more.

Deep History & Even Deeper Sources

Our database counts on 20+ years of historical data, over 20 million documents, more than 7,000 websites, and all active companies each year.

Instant Industry Reports

Trending topics or custom reports with overviews that provide statistical summaries of esoteric data points for broad analysis. Reports also allow you to drill down into specific data points that link to original source documents.

Real-Time Alerts

Business doesn't sleep. Neither do our algorithms. Real-time updates as they happen. Set alerts directly to your inbox.

Source Links

Convenient links to original source documents for all data points.
